
Bequest Language and Beneficiary Designation

You may choose to designate an existing Community Foundation endowment fund or the Community Foundation itself as the beneficiary:

I give, devise and bequeath to the Community Foundation of Greater Greensboro, Inc., a qualified 501(c)(3) charitable organization located in Greensboro, North Carolina, _____ percent of my residual estate [or a specific bequest of \$_____, or other personal or real property appropriately described], to be directed to the [Name of existing component fund of the Community Foundation, OR to the Community Foundation's Community Leadership fund, or Unrestricted endowment].

You may choose to establish a new endowment fund at the Community Foundation:

I give, devise and bequeath to the Community Foundation of Greater Greensboro, Inc., a qualified 501(c)(3) charitable organization located in Greensboro, NC, _____ percent of my residual estate [or a specific bequest of \$__ or other personal or real property appropriately described] to establish the [Name of fund] for the benefit and support of [Charitable purpose or beneficiary] in Guilford County, North Carolina.

Should the value of the bequest be less than the minimum to create a new endowment fund (currently \$25,000), the bequest will be added to the Community Foundation's Unrestricted Endowment, which provides support for current and emerging issues in our community.
