MISSION
The Community Foundation of Greater Greensboro inspires giving, maximizes opportunities, and strengthens communities for present and future generations.

VISION
The Community Foundation of Greater Greensboro’s vision for our city is a welcoming and thriving place where people work together to enrich the lives of all. We will accomplish this by:

• Understanding what matters to the community;
• Being a trusted partner that empowers others;
• Shepherding successful projects that draw the community together; and
• Helping diverse donors create impactful gifts.

DIVERSITY, EQUITY, AND INCLUSION
Our communities are diverse. They include people of all ages and abilities, creeds and religions, cultures, ethnicities, gender identities, national origins, races, sexual orientations, and socioeconomic backgrounds. To pursue our mission, we will embrace our diversity, create opportunities for equity, commit ourselves to fairness, and promote inclusion of all people.

For the Community Foundation of Greater Greensboro, 2021 was a year to remember. Together, we opened doors and crossed new thresholds: Together, we:

- Relocated and opened our new office doors at 301 North Elm St.
- Crossed $300M in assets under management through your charitable contributions.
- Saw the Steven Tanger Center for the Performing Arts raise its curtains for its first show in September, and
- Received our largest gift to date — a $50 million bequest from Charles “Buddy” Weill, Jr.

Beyond the notable numbers and ribbon cuttings, the pandemic’s variants created fits and starts for the health and wellness of our community. The significant gift from the estate of Buddy Weill was timely, as the Community Foundation will have a major focus on much needed facilities for quality healthcare and eldercare.

Many small businesses hammered in 2020 could not break even in 2021, much less break through to a place of prosperity. So, we invested in youth apprenticeships, skills training for adults, and technical assistance and access to capital for the region’s entrepreneurs.

For Guilford County School’s students, it felt like one step forward and two steps back. They started the school year with remote learning, suffered through teacher shortages, and were caught in the conundrum, “to mask or not to mask.” We invested in early childhood development, paid for summer and after school programs, and funded college scholarships for students who could not attend otherwise.

The Community Foundation supported public art that bent stainless steel to leap buildings in a single bound (Relativity), pushed a living museum’s inner quirkiness outside (Elsewhere Museum), and joined a man of wit, his dog, and a big, bronze book in the courtyard of our new location at 301 N. Elm (O. Henry Sculptures).

In a pandemic year, two permanent endowments, the Black Investments in Greensboro (BIG) Equity Fund and Women to Women raised the roof in philanthropy and civic engagement. Each community-minded initiative inspired a small army of passionate donors and volunteers to give now and for the future of Greensboro.

The Community Foundation, in partnership with other local foundations, continued support for the Guilford County Nonprofit Consortium because their mutual assistance, connectivity, and capacity-building for its nonprofit members was especially needed last year.

As you can see, 2021 was a year to remember for the Community Foundation of Greater Greensboro.

Now, we step toward a promising future. Thank you for walking alongside us as we continue on this transformative path toward making Greensboro an even better place to live.
In 2021, the Community Foundation distributed 2,460 grants on behalf of its fundholders, fund advisors, and the foundation’s initiatives. Since our founding 39 years ago, the Community Foundation has made $388M in grants to the community and beyond.

The Community Foundation’s audited financial statements are available at CFGG.org
In 2021, the Community Foundation organized its community investments into six core areas: Economic Prosperity, Educational Success, Community Wellness, Cultural Vibrancy, Civic Engagement, and Nonprofit Excellence. In the sections that follow, we feature some of the programs, people, and press that highlight some of our work last year.
BUILDING DOORS: ECONOMIC PROSPERITY

The Community Foundation invests in efforts that ensure that our residents are economically stable and secure, and that the resources that drive economic prosperity are sustainable.

In 2021, we supported several multi-partner initiatives focused on youth apprenticeships, job skills training, small business development, and workforce housing.

GUILFORD APPRENTICE PARTNERS (GAP)

The Community Foundation continued to host and partner with other business, education, and philanthropic institutions in support of GAP, the fastest-growing youth apprenticeship program in North Carolina. In 2021, GAP enlisted 35 employers, graduated its second class of apprentices (including its first female graduate), recruited and signed on 42 new GAP apprentices, and expanded to six main industry tracks.

The incoming cohort apprentices will earn the equivalent of $6.3 million in scholarships because they will earn a free associate degree from Guilford Technical Community College while also getting paid for the time they are in class as well as for their time on the job.

“If OPPORTUNITY DOESN’T KNOCK, BUILD A DOOR.”
– MILTON BERLE, COMEDIAN
EASTERN TRIAD WORKFORCE INITIATIVE (ETWI)

The Community Foundation continued support for EWTI, a public-private partnership to improve our region’s workforce, as a strategic partner and charitable fund manager. Due to the continued effects of the pandemic in 2021, and with support of the CARES Act, ETWI focused on four areas to support their educational and workforce stakeholders: disease prevention, safe outreach, displaced workers, and distance learning. This included the design and deployment of the region’s first mobile career center.

GUILFORD JOBS 2030

Guilford Jobs 2030 (GJ30) is a workforce development initiative to increase the percentage of post-secondary education credentials to 60% by 2030 for all workforce age individuals in Guilford County. Currently, the white only demographic is at 51%, the Black population is at 35%, and the Latino population is at 24%. Increased educational attainment improves labor productivity and correlates to higher wages which in turn will boost our region’s economy. In 2021, GJ30 recruited industry, educational, and community partners, picked communities to implement its work, and committed itself to a stakeholder engagement process and system redesign.

BUILDING THE BEST GUILFORD INITIATIVE (BBGI)

The Community Foundation facilitated the BBGI in partnership with the chambers of commerce for Greensboro and High Point. This initiative supports the recovery, development, and growth of small businesses throughout Guilford County. The unique and powerful collaboration by the Greensboro and High Point chambers of commerce will enable us to scale technical assistance for the region’s entrepreneurs and increase their access to capital.

IN THE NEWS

The Community Foundation supports Campus Greensboro, an initiative of Action Greensboro, in which college students receive paid internships and can envision a future living and working in Greensboro.

This initiative shows the power that collective philanthropy can have when it focuses on jobs and economic development.

BUILDING THE BEST GUILFORD INITIATIVE (BBGI)

The Community Foundation supports “The Forge”, a creative and collaborative environment for experimentation and development in making, skill building, technology, and art. The Forge encourages entrepreneurs, grows businesses, and helps people transition into new jobs.

TURNING THE KEY: EDUCATIONAL SUCCESS

The Community Foundation deploys resources and supports partnerships that ensure young people achieve in school, engage in their community, and are prepared for the workforce. We distribute grants to educational nonprofits, host scholarship funds, and invest in community-wide efforts to eliminate barriers to learning.

THE CLASS OF 1963 DUDLEY FUND

A group of alumni from the Dudley High School class of 1963 established a charitable fund with the goal of creating an endowed scholarship for Dudley graduates planning to attend college. Lemuel “Lem” Dowdy, one of several advisors to the fund, says of his fellow alumni and donors, “We’ve always been known as ‘the mavericks’ and we are doing this scholarship on our own. We hope this [charitable fund] will become a model for other Dudley alumni classes to invest in the success of future Dudley graduates.”

“EDUCATION WILL OPEN DOORS WHERE NONE SEEM TO EXIST.”

—MARK MATHABANE, AUTHOR & EDUCATOR
OTHER EDUCATIONAL INVESTMENTS

In 2021, the Community Foundation hosted 18 scholarship funds that awarded $155,500 to 54 students in Guilford County and beyond attending 23 different universities.

The Community Foundation continued support for Say Yes Guilford, a local education nonprofit that boasted $8.5 million in scholarship impact for 1,190 Guilford students in 2021. 88% of the 2019-20 freshman class of Say Yes Guilford scholars continued their education in the 2020-21 academic year, besting the national average of 76%.
A HEALTHY HEARTH: COMMUNITY WELLNESS

The Community Foundation supports a healthy and safe community by investing in nonprofit organizations and community initiatives focused on the physical and mental well-being of our citizens. We target our most vulnerable and underserved populations by focusing on efforts that provide basic human services (food, shelter, medicine), offer access to primary care and wraparound services (youth mental health, maternal healthcare), and address the quality of life for older adults.

NORTHWEST EMTIRO FUND

This charitable healthcare fund was born from a merger between the Partnership for Community Care and the Northwest Community Care Network. Its purpose is to support direct patient care for those eligible for Medicaid or are uninsured and reside in the counties of Guilford, Rockingham, and Randolph. These two entities entrusted the Community Foundation to administer grants in accordance with these parameters.

“Historic moment: Community Foundation gets $50 million gift—largest in its history”
– GREENSBORO NEWS & RECORD, APRIL 23, 2021

OTHER HEALTH INVESTMENTS

In 2021, the Community Foundation’s support of key health-related nonprofits enabled the following:

- Medical help for those who cannot afford a doctor (Triad Adult and Pediatric Medicine)
- Nationally recognized health clinic in east Greensboro serving indigent, uninsured residents with whole-person healthcare to address problems before they become acute and irreversible (Mustard Seed Community Health)
- Life skill classes, nutrition programs, and a food pantry, as well as mediation and teen court services (One Step Further)
- Therapeutic horseback riding for individuals with physical, intellectual, and/or emotional disabilities (Horsepower Therapeutic Learning Center)
- Bilingual and bicultural mental health services for individuals, couples, families, and children of Latin American descent (Sunrise Amanacer)
- Food, clothing, and housing, as well as job and educational support for deaf people (CODA Connections)

The Community Foundation announces that it has received a $50 million gift, the largest in its history. The gift is a bequest from Charles L. “Buddy” Weill, Jr. who passed away in June 2020. It will create a permanent field of interest endowment for capital expansions and improvements of facilities that support eldercare and healthcare, as well as the equipping and improvement of equipment of such facilities.
DOORS TO THE IMAGINATION: CULTURAL VIBRANCY

CFGG resources are used to ensure that community members enjoy good quality of life, with access to and an appreciation for the arts, cultural opportunities, and natural assets.

“THE ARTS CAN OPEN THE DOOR TO THE IMAGINATION, PUSHING THE ENVELOPE OF HOW PEACE CAN BE CREATED. IT TAKES COURAGE TO TAKE THIS KIND OF RISK, AND COURAGE IS WHAT WE ALL NEED TO CREATE A BETTER WORLD.”

–WAYNE SHORTER, MUSICIAN

PUBLIC ART ENDOWMENT (PAE)

The Public Art Endowment is one of the only privately funded endowments in the nation created solely to bring public art to the community. The PAE helps preserve and expand Greensboro’s sense of community by facilitating the long-term and permanent placements of significant public artworks throughout the city. Here are major works presented and innovative art tools utilized in 2021.

• The PAE worked with artist David Hess to design, fabricate, and deliver a sculpture to the entrance area of the Greensboro Science Center. This joint venture of project management and fundraising support culminated in January 2022 with the installation of Relativity.
• The PAE worked on the maintenance and conservation of existing works with the help of Guilford County for the Billy Lee Sculpture and through our own work with the O. Henry Sculptures in front of our new offices!
• The PAE also partnered with Elsewhere Museum to bring the Tagtool software app back to Greensboro for a public display on the outside of the museum in November.
• The PAE presented the final color scheme for the 3 nets Janet Echelman will provide for LeBauer Park for future iterations of the artwork Where We Met.
THE TANGER CENTER FOR PERFORMING ARTS OPENS TO APPLAUSE

We’re opening doors,
Singing, “Here we are!”
We’re filling up days
On a dime.
That faraway shore’s
Looking not too far.
We’re following every star
There’s not enough time!

“Opening Doors”, Merrily We Roll Along,
Stephen Sondheim

On September 2, the Steven Tanger Center for the Performing Arts officially opened its doors for the first time. The $93M, state-of-the-art facility anchors downtown Greensboro’s cultural arts district and will host more than 150 events in its first year, from touring Broadway productions and music concerts to Guilford College’s Bryan Series and Greensboro Symphony performances. The Tanger Center proved a very successful public-private partnership between the City of Greensboro and the Community Foundation.

In addition, former and current Community Foundation board members created an endowment to honor CFGG President Walker Sanders for his 20 years at the foundation and his role in developing the Tanger Center. Sanders directed endowment proceeds be used to expand the experiences of GCS students who would not typically have the opportunity to see live theatre performances.

“Music for a Great Space’ brings comfort during uncertain times through music”
– FOX NEWS 8, NOV. 10, 2021

The Community Foundation provided support for the Music for a Great Space concert series, so that the 2021 season could be offered entirely virtual last year. “We did have to make some changes in what we initially had programmed but we were able to present some really wonderful programs and had a lot of engagement. It was really a wonderful experience,” said Executive Director Rebecca Willie.
A SEAT AT THE TABLE: CIVIC ENGAGEMENT

CFGG mobilizes resources to support the growth of diverse and customized approaches to community philanthropy. We educate and engage traditional donors and underrepresented philanthropists to grow local assets that have the collective power to shape Greensboro’s destiny for present and future generations.

“DIVERSITY OF EXPERIENCE IS WHAT MAKES THIS FIELD OF PHILANTHROPY GREAT, AND IN THIS COUNTRY, WE NEED THOSE IDEAS AND PERSPECTIVES MORE THAN EVER.”

—ROBERT K. ROSS, PRESIDENT AND CEO OF THE CALIFORNIA ENDOWMENT

BLACK INVESTMENTS IN GREENSBORO (BIG) EQUITY FUND

In 2021, the BIG Equity Fund hosted ‘BIG DOG’, a BIG Day of Giving. This was a live social media event where BIG partnered with local comedian Tim Shropshire for a video parody that borrowed the character of Uncle Jerry Manual from the movie Barbershop to explain philanthropy and BIG’s purpose to the barbershop’s customers. BIG raised $103,000 in giveaways and secured a $100,000 commitment from the Greensboro Jaycees.

BIG was also honored to host Dr. Emmett Carson, former President and CEO of the Silicon Valley Community Foundation, for a special event during Black History. Dr. Carson presented on the role and history of Black philanthropy in the U.S. This was Dr. Carson’s first presentation on philanthropy since leaving the field.

BIG also surpassed over $1 million in support of the permanent endowment of the BIG Equity Fund. BIG is making great strides in reaching its target of $3 million for this permanent endowment.

The Women to Women (W2W) Advisory Council awarded $283,000 to nine programs supporting women and their families in 2021 making it their biggest grantmaking year ever. Since W2W moved its regular October luncheon in 2021 to March 2022, this enabled the initiative to break free from COVID limitations and incorporate Women’s History Month and International Women’s Day in 2022.

The following are the list of W2W grantees and funded programs for 2021:

- The Sparrow’s Nest, The Black Suit Initiative
- Say Yes to Education, Middle School – CTE Focus: Exploration
- Guilford Child Development, We Do Necessary Steps to Deliver the Result
- Wheels4Hope, Driving Women’s Success
- A Simple Gesture, No Child Hungry, Feeding Pregnant Women and Children in Health Settings
- BackPack Beginnings, Rising to the Challenge, Operational Expansion
- PDY&F, East Greensboro Community Garden and Greenhouse
- NC Diaper Bank, Guilford County Outcome-based Hygiene Product Distribution
- Mustard Seed Community Health, Community Health Outreach Team

“This was an easy grant process and compared to government grants, this was awesome! I get kind of tingly thinking about the synergy of this grant and how it is helping women in our community. To me, it is really important to support women as they work to enhance their potential.”

– Daintry O’Brien, Guilford Child Development
The Community Foundation is well-known for supporting community initiatives that provide capacity-building, training, and certifications for the region’s nonprofits and volunteers. Since 2003, we, in partnership with other foundations, have supported the Guilford Nonprofit Consortium, and it has grown in leaps and bounds. During the last couple of years of the pandemic, the Consortium modified its programming to respond to the real-time needs of the area’s nonprofits.

Because it is such a trusted resource in the community, the Consortium took on the additional role of “funder” in 2021. It administered the Beyond Resilience Grant program last year, which was made possible by the Community Foundation and other regional foundations and donors. The Consortium administered $105,000 in grants to 10 different nonprofits so that they could rebuild their operating capacity and address issues of equity. They may do it again this year.

The Consortium also graduated 12 individuals from their Executive Leadership Academy, and delivered virtual programs and webinars on fundraising, board development, revolving loans, and career development.
### DISCRETIONARY INVESTMENTS BY CFGG IN 2021

In addition to distributing almost 2,500 grants from the more than 700 charitable funds it hosts, the Community Foundation also responded to community needs through its discretionary grantmaking process. Coming out of the pandemic, the foundation targeted workforce development and nonprofit capacity-building as priorities for community grantmaking in 2021.

DEAR GREENSBORO
Formerly known as the Heritage Society, Dear Greensboro is comprised of donors who are creating permanent legacies through planned gifts to the Community Foundation. Estate gifts allow donors to give back beyond their lifetime to the issues and organizations they hold dear. Depending on how the gift is structured, it might also provide philanthropic opportunities and tax benefits to their heirs.
